**Workshop Date: 17-02-2023**

A photograph of three young boys in a classroom, wearing school uniforms and face masks. They are focused on a project on a wooden desk. The boy on the left is holding a black mobile phone. The boy in the middle is wearing a light blue surgical mask. The boy on the right is wearing a black face mask. On the desk, there is an Arduino Uno board connected to various colored jumper wires. A clear plastic container with electronic components is also visible. In the background, other students in similar uniforms are seated at their desks. A blue logo with a stylized 'S' and a gear is visible in the top right corner.
